Relivance

Your network is bigger than your memory.

Set your goal

Define what you want to achieve.

Map your milestones

A path to your goal, built around your starting point.

Know who to reach out to —and when.

Stay connected. Discover who in your network can help you reach your next milestone.

Prepare

A meeting brief from your saved history.

Meeting

In person, by phone or online.

Save a recap

Save what happened. Remember it next time.

Follow through

Follow up on what you agreed.
